

Ever Full of Sap - Part 5:

Turning Sap into Kinetic Energy

This teaching connects the imagery of "sap" (God's Word) to real action — moving from potential (sap sitting in the tree) to kinetic energy (applying the Word in real-life battles and dangers).

Main Passage:

Psalm 92:12–15

Main Principle:

Effective Sap

Key Words:

Labor, Potential Energy, Kinetic Energy

The Gospel has many facets:

- Water Baptism
- Baptism in the Holy Spirit

Salvation has many facets:

- Deliverance from present danger or trouble
- Deliverance from defeat in battle

Because of salvation, we now have a new relationship with the Father — a relationship based on fellowship and intimacy.

Our goal today:

Turn Sap (God's Word) into kinetic energy by activating facets of salvation, especially:

- Deliverance from present danger or trouble
- Deliverance from defeat in battle

Reality check:

- Believers are often *not* being delivered.
- Believers are often *being defeated* in battle.

Reminder:

Our fellowship with the Father is directly affected by how we treat others.

Important:

Salvation (Sap) is free, but labor is required to *maintain* and *apply* it.

One Way to Activate Sap

- **Romans 10:17** — Faith comes by hearing, and hearing by the Word of God.
- **Proverbs 18:21** — Life and death are in the power of the tongue.

Romans 10:10 (AMP):

"For with the heart a person believes (adheres to, trusts in, and relies on Christ) and so is justified (declared righteous, acceptable to God), and with the mouth he confesses (declares openly and speaks out freely his faith) and confirms [his] salvation."

Two Drips of Sap:

- **Believes** (heart)
 - **Confesses** (mouth)
-

Question:

Saved from what?

Answer:

- Saved from present dangers
- Saved from destruction
- Saved from defeat

Personal Application (in the first person):

"I believe in my heart and confess with my mouth my safety, deliverance, preservation from danger or destruction, welfare, prosperity, deliverance from present danger or trouble, and from defeat in battle — in Jesus' name. Amen."

Key Principle:

Be fully convinced to believe.

Romans 4:20–21 (NKJV):

"He did not waver at the promise of God through unbelief, but was strengthened in faith, giving glory to God, and being fully convinced that what He had promised He was also able to perform."

- **Studying the Word (Sap) causes us to become fully convinced.**
 - **Study = Labor.**
 - **Study + Application = Effective Sap.**
-

Looking Back at Sap

Question:

Can we look back and gather "Sap" from years of study?

Answer:

Yes — like finding old treasure!

Matthew 13:52:

"Therefore every scribe instructed concerning the kingdom of heaven is like a householder who brings out of his treasure things **new** and **old**."

- If we labor in the Word now, we'll have "old treasures" to draw from later.
- Notice the future element: *"When you get old you will look back and there will be sap for you."*
- **This is a Word of Wisdom** — a glimpse into the future given by the Holy Spirit through tongues and interpretation.

Important:

- We must fill our hearts with Sap now to have treasure later.

Benediction:

2 Thessalonians 3:16 (AMP):

"Now may the Lord of peace Himself grant you His peace (the peace of His kingdom) at all times and in all ways [under all circumstances and conditions, whatever comes]. The Lord [be] with you all."
