

# Lasting Results Session 2 Part 4

## Discover what is in the Package

This teaching explores profound spiritual truths, emphasizing **Jesus as a divine "Package"** from the Father and the significance of the Baptism in the Holy Spirit (BIHS) and speaking in tongues as vital tools for a believer's spiritual growth and empowerment. Here are some key points highlighted:

### The Acrostic P.E.G.

- **P**ackage God's Word to reach the lost.
- **E**dify People for their spiritual growth.
- **G**lorify God through our lives and testimonies.

### Jesus as the Divine Package

- Sent by the Father to earth, carrying the will of God.
- Poured Himself out for humanity, resulting in eternal edification and glorification of the Father.
- His work continues to yield long-lasting results, as seen in Hebrews 12:2.

### Perfect Prayers through Speaking in Tongues

- Speaking in tongues is described as a supernatural communication facilitated by the Holy Spirit.
- **1 Corinthians 14:14, 14:2 and Acts 2:4** emphasize the divine nature of this communication, where the spirit communes directly with God.
- Speaking in tongues allows believers to pray "**perfect prayers**," inspired by the Holy Spirit's guidance.

### The Name Above All Names

- Encouragement to use the specific names **Heavenly Father** and **Jesus** in public to clarify who believers worship and honor.
- This distinction upholds the truth and boldly testifies to Christ, as seen in Philippians 2:9 and Luke 9:26.

## Baptism in the Holy Spirit (BIHS) and Tongues

- BIHS empowers believers (Acts 1:8).
- Speaking in tongues is a tool for deeper, effective communication with God (1 Corinthians 14:4).
- These **two aspects** are likened to rivers that generate energy, clear obstacles, and provide encouragement.

## Encouragement and Knowledge

- Encouragement is crucial to prevent a hardened heart (Hebrews 3:12-15).
- The Holy Spirit brings clarity and removes confusion, likened to "rivers of living water" (John 7:37-39).
- Growth in grace and knowledge, especially of Jesus, is essential (2 Peter 3:18, Colossians 2:2-3).

## Learning and Application

- Just as gamers invest time to master complex games, believers are called to invest time studying God's Word to grow spiritually and avoid discouragement.
- Speaking in tongues and understanding its role as part of Jesus' work as the Baptizer in the Holy Spirit encourages spiritual growth and provides strength for life's challenges.

## Conclusion

**This teaching encourages believers to:**

- 1.** Recognize Jesus as the ultimate "Package" sent from God.
- 2.** Boldly use the names Heavenly Father and Jesus to honor their faith.
- 3.** Embrace and practice BIHS and speaking in tongues as powerful tools for spiritual edification and prayer.
- 4.** Pursue ongoing knowledge and understanding of Jesus and His teachings to stay encouraged and effective in their walk with God.
