

(NPF #5) Washington State police officers

Remember Washington State and other states as well.

Supporting Police Officers and Their Families through Prayer

Let us continue to show worth to police officers and their families through our prayers and attentiveness.

Let Jesus know He can depend on us to pray for those in need.

Tragic Event: Sunday, Nov 29, 2009 @ 04:10 pm CST (Lakewood, WA)

Four police officers were killed in an ambush by the Pierce County Sheriff's Department. A gunman walked into a Lakewood diner and opened fire, targeting the officers without any connection to a robbery.

Importance of Knowing, Understanding, and Operating in the Authority of Jesus

As believers, we have been given delegated authority to rule in the spirit realm against evil spirits. These spirits work through people and their agenda is to steal, kill, and destroy.
