

WHO WE ARE

ROYAL PRAYER GUARDS

Royal Prayer Guards (R.P.G.) is an extension of **Surefooted Ministries** for believers who are committed to being used by God as **prayer warriors and intercessors**.

We are believers who have chosen to **stand in the gap**, faithfully carrying prayer burdens and strategically praying according to God's purposes.

WE ARE SPIRITUAL WARRIORS

A Royal Prayer Guard serves in both **offensive and defensive prayer**.

We pray:

- **Offensively** — advancing God's purposes through focused, faith-filled prayer.
- **Defensively** — standing against spiritual opposition and praying for protection, strength, and preservation.
- **Strategically** — responding to specific prayer focuses and urgent needs.
- **Faithfully** — remaining dependable in our assignment while continuing to fulfill our everyday responsibilities.

WE ARE DEPENDABLE SERVANTS

Being a Royal Prayer Guard is not simply receiving prayer requests. It is developing the character of a **dependable servant in God's kingdom**.

We seek to maintain a healthy balance in our:

Spirit • Soul • Body • Relationships • Finances

We recognize that effective ministry begins with allowing God to work in us while He works through us.

WE ARE READY TO STAND IN THE GAP

Royal Prayer Guards are prepared to receive:

- Monthly prayer focuses
- Urgent prayer needs and news flashes
- Suggested prayers
- Spiritual guidance and encouragement
- Resources designed to strengthen our effectiveness as prayer warriors

We do not abandon our daily responsibilities. Instead, we learn to **live responsibly while remaining spiritually alert and available to God in prayer.**

OUR PURPOSE

Our purpose is to strategically align our prayers with God's purposes and become dependable instruments He can use to advance His Kingdom.

We are committed to praying with purpose, responding with faith, and standing faithfully in the gap.
